

Starting a business, or looking to expand or relocate an existing enterprise? Need assistance?

BUSINESS GUIDE

NW Illinois Economic Development assists expanding and relocating businesses in determining their needs for growth with cooperation of our government and business partners, and we employ all available resources to create a welcoming business environment.

START

- Construct a road map
- Find money and a location
- Identify your market
- Acquire data and resources
- Assemble your tribe
- Build your workforce
- Locate a mentor

EXPAND

- Attain knowledge of supply chain logistics
- Receive guidance on location scouting
- Connect with regional players
- Learn of financing and incentive opportunities
- Develop your workforce

RELOCATE

- Secure expertise on site location
- Pinpoint options for financing and incentives
- Utilize an on-the-ground guide
- Access to advanced labor, demographic and customer data
- Evolve your workforce

To schedule a FREE and CONFIDENTIAL meeting or private counseling appointment, contact Emily Legel, NWILED Executive Director.
